

California Annual Declaration of Compliance

Bioventus is committed to conducting its business in accordance with the highest ethical standards. As part of this commitment and based on a good faith understanding of the statutory requirements, Bioventus declares that we have adopted a Comprehensive Compliance Program in accordance with the California Health and Safety Code §§ 119400-119402.

The foundation of Bioventus' Comprehensive Compliance program is the adoption of the AdvaMed Code on Interactions with Health Care Professionals which guides Bioventus' business decisions and interactions. Bioventus requires our employees to comply with our Code of Conduct and with the AdvaMed policies and procedures.

In accordance with California Health and Safety Code, Bioventus has established a specific annual dollar limit of \$3,000 per healthcare professional for meals, promotional materials, and items or activities that Bioventus may give or otherwise appropriately provide to an individual healthcare professional located in the state of California, subject to permitted exclusions under the statute.
